Penn Freshman Possesses Lots

This and similar remarks have been sighed by followers of the Penn Fresh baseball team throughout the present season. And in came the second. With this stanza also

lie there. However, he can't throw the varsity.

old onion straight — he's wild — and therein lies his trouble.

To most people who have followed Jack through his career at Episcopal the announcement that he is wild will seem ludicrous. They invariably will say.

"How can a pitcher he wild when he "How can a pitcher be wild when he can fan sixteen batters in one game and toss two no-hit no-run contests in the same season?" It's true. Jack accomplished these feats last season. But

hat was last year. Won All 1921 Games

of Stuff, Including Large
Share of Wildness

Last season, when Williams was with Episcopal, Charley McCarthy, the famous football official, who coaches the team, kept him in the box no matter how wild he was. McCarthy made Jackkeep on twirling, and he didn't lose a game, though on more than one occasion his control was absent.

cach instance they have been directed at Jack Williams, former star twirler at Episcopal Acadecmy and one of the same that he was forced to the showers. On Saturday against Peddie the same thing happened. best pitchers in Philadelphia scho-

Philadelphia scholastic circles during the seasons of 1920 and 1921.

Williams — the 'Merchant to make a good pitcher is unnecessary to say. Jack is a corker, and last year he proved it to perfection. But he can't seem to get the ball across the plate. It usually goes everywhere but the right place and a flock of batters are walked.

Next year Williams will be eligible for the Penn varsity team. He will not make the team unless be gets a plenty of speed and he has a world of stuff on the ball. So his fault doesn't lie there. However, he can't throw the varsity.

Robertson Surprises by Leaving Out Holden and Several Other Dual-Meet Scorers

MCLANE FRESHMAN LEADER

his control was absent.

By PAUL PREI'

If HE only had control, gee, what a world-beater that guy would be!'

This and similar remarks have been sighed by followers of the Penn Fresh baseball team throughout the present scason. And in T AWSON ROBERTSON, coach of

two added. Everything depends on what the next two weeks' practice brings forth. The number is said to be the smallest to represent the Penn track team at an intercollegiate meet in recent years.

The lucky athletes are Captain Larry Brown, George Meredith and Ed McMullen, in the half-mile run; Lever and Shattuck in the sprints, Head in the two-mile, Rose and Chow in the broad jump. Powers in the hurdles, Bronder and Hamer in the shotput and javelin throws, Needs in the high jump and pole vault, Temple in the pole vault and Frank in the hammer throw.

Johnny Holden, the Washington lad and Frank in the hammer throw. minutes at Ithaca
Johnny Holden, the Washington lad freshman meet there.

and a member of the two-mile world's record-holding team; Altmoler, sprinter; Gill and Jack, quarter milers; Herr in the mile, Thurman in the shet, put and several others who have a ured in point scoring in the Dartmonth Five Won in 1919

It will be remembered that three years ago the Penn team won an intercollegiate crown with five athlete. Landers, Eby, Smalley, Hampton and "Bob" Maxam. Of the fourteen attletes selected for this year's team. Brown, Lever, Bronder, Needs and Brown, Lever, Bronder, Needs and Rose are five men who should some many points for the Red and Blue. If this quintet can score twenty-five at twenty-seven points, with the other combined making five, Penn has an excellent chance to carry away the titular honors.

the camp of the team.

Fourteen men have been selected by Robertson to make the trip, and of this number one may be dropped or one or number one may be dropped or one or day for the remainder of the setten McLane in his first year has galacted to lead his team mates restend to added. Everything depends on McLane in his first year has galacted to lead his team mates restend to the setten may be prominence as any set of the setten may be prominence as any set of the setten may be prominence as any set of the setten meet.

The secret of its success is in every package—the superior quality which its makers put there. Try a package today
